Barony

- Kingdom is going to try and do both the polling for approval in change of status to barony and the polling for Baron & Baroness to the populous of Buckland Cross together to expedite the process
- Once we are a barony we will need to come up with awards and their accompanying heraldry. So please begin to give some thought to that.
- Bhakail was kind enough to share their bylaws for us to look at as an example

- The group discussed Terms and qualifications for the Coronet
 - 3 and 4 year starting term with a Kingdom set maximum of 6 years was discussed. The group settled on a 3 year first term with the Coronet being allowed to extend by 1 to 3 year increments until the maximum of 6 years is reached.
 - It was agreed that the Coronet would also have the same requirements as officers: Shire officers are required to be SCA members and must be active in Shire activities (Baronial activities) for 1 year before seeking office (coronet)

- The group agreed to take voice nominations for the first Baron and/or Baroness as well as posting on our website and Facebook that candidates may submit their name or be nominated via email for one week after our meeting 9/26/17-10/4/17

- Those members nominated by voice at the meeting are: Ray & Kirsten Becker, Gail Russo, Matt & Christine Connors

Meeting was adjourned
